100% Nature-Made: Crafted from naturally fallen leaves—no trees cut down, zero plastics, and zero chemicals.

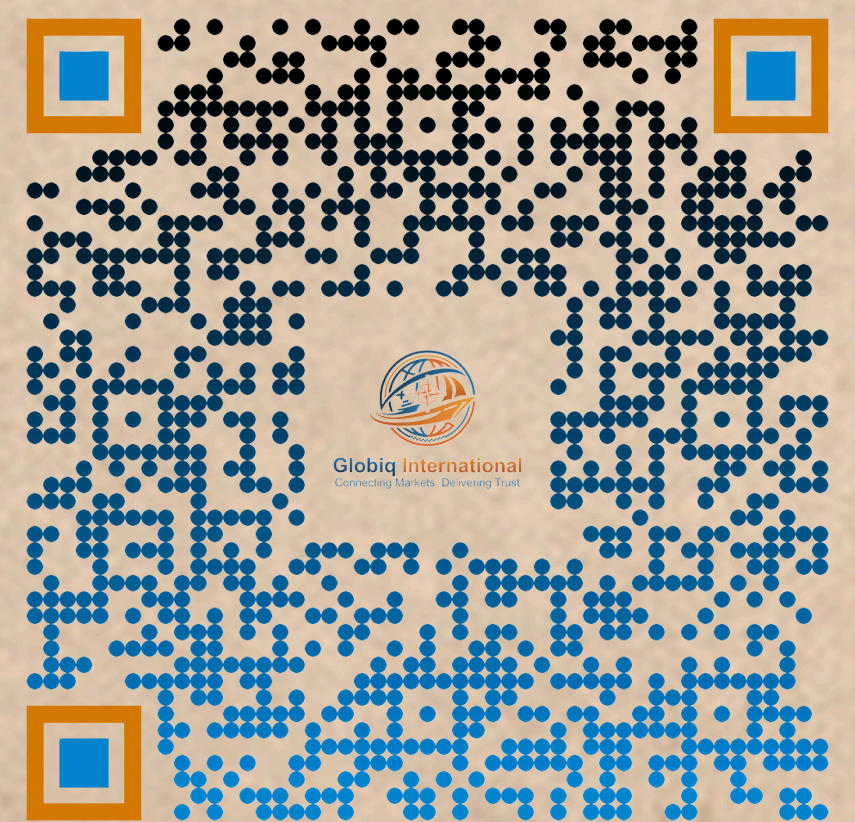

Compostable in Days: Fully biodegrades into nutrient-rich soil within 60 to 90 days.

Tough & Durable: Naturally leak-proof, microwave-safe, and strong enough to hold heavy, saucy meals without bending.

Premium Rustic Look: Features a beautiful, unique wood-grain texture that elevates food presentation way better than paper or plastic.

Effortless Cleanup: Gives you the upscale look of real dishware with the fast, labor-saving cleanup of a disposable.
